

Charlton Central Residents' Association

Welcome to Charlton Central Residents' Association!

Charlton Central Residents Association (CCRA) is a local voluntary association committed to ensuring a safe and friendly community here in the heart of Charlton. The streets we cover are:

Calydon Road, Coombe Lodge, Delafield Road, Elliscombe Road, Fossdene Road, Frank Burton Close, Gollogly Terrace, Inverine Road, Nadine Street, Priolo Road, Sundorne Road, Swallowfield Road, Wellington Gardens.

Full membership is available to all residents living in this area; those living nearby are very welcome to join us as associate members. Rates for 2021 are £7 for individuals, £12 for a household and a discounted rate of £5 for students or those on benefits. You can find our membership form [here](#). If you have any questions, please do contact our Membership Secretary, Jacqui Mitchell at members@charltonresidents.net.

We organise social events such as a community day and quiz nights. We run local interest groups such as singing, walking and a book group to name but a few. We also have action groups such as our Planning Action Group, which takes a keen interest in current and proposed planning applications, and our Community Safety Action Group, which enjoys strong links to Charlton Central Neighbourhood Watch. Five times a year, we publish and distribute our community newsletter, *Grapevine*.

CCRA is a membership led Association. At our AGM, which usually takes place in October, members elect a Chair, Vice-Chair, Treasurer, Secretary and Membership Secretary, who are responsible for the day-to-day running of the Association. Members also elect the Association's Management Committee, which meets monthly, and which is responsible for planning and co-ordinating our activities; members may also be co-opted to sit on the Management Committee. While only full members are eligible to vote, stand for election or to be co-opted to the Management Committee, everyone is strongly encouraged to get involved in something, to help our Association to continue to go from strength to strength. There's more information about us at charltonresidents.net.

This pack contains key contacts and an organogram, so that new and prospective members can see how we are organised and who to get in touch with for more information. We are a friendly bunch and so please don't be shy. You can contact me at chair@charltonresidents.net.

We are glad your interest has brought you this far, and I am delighted to welcome you to CCRA.
